

5 Reasons Why to Choose Viwinco

- 1 A Higher Standard.** The glass package that comes standard in every window we manufacture provides **top thermal performance, with one pane of low-e, argon fill, and an Intercept® ULTRA stainless-steel warm-edge spacer.** Plus, our frame contains more PVC than those of our competitors. The result? Superior energy efficiency. More structural integrity. A lifetime of durability.
- 2 In-House Production = Unparalleled Quality.** Manufacturing occurs almost entirely within Viwinco's 140,000-square-foot manufacturing facility. **We control the source to ensure the highest quality.** We oversee every step of the process—from **laminating and tempering our own glass** to hand-washing each window and door before it is shipped.
- 3 On-Time, Fast Delivery.** Our in-house production system enables us to **custom-make every order** to your exact specifications while maintaining **one of the fastest turnaround times in the industry.**
- 4 Innovation—Every Day.** **Viwinco's state-of-the-art Research & Development Center** features a dedicated engineering and technical staff, and is home to our own certified test wall and on-site lab. **The facility has enabled us to create the next generation of windows**—including our **OceanView® impact-resistant line.** It also provides us the flexibility to monitor and test our products continually.
- 5 Personalized Customer Service.** Our **family-owned** and operated business has been providing the immediate, individualized attention and service that has made our name one of the most trusted in the industry for **over thirty years.**
