

Manufacturer's Certification Statement, Revision 17,

Issued January 01, 2021

Manufacturer's Certification Statement

To: All Viwinco Building Professional Customers and Homeowner Customers:

This letter is to verify that the Viwinco exterior window products, as listed below are Eligible Building Envelope Components.

- a) Products shipped between January 1, 2021, and December 31, 2021, meet or exceed prescriptive criteria in all climate zones as established by the IECC for the energy tax credit consideration for exterior window products.
- b) All qualifying windows must meet ENERGY STAR; the window limit incentive is \$200.00.

Not all of Viwinco Products meet the ENERGY STAR program. The products that do meet requirements for U-Factor and, as applicable, SHGC can be found on the Viwinco website.

This letter is provided as verification in lieu of the appropriate labeling for those products ordered and received in the early stages of our manufacturing changes, prior to formal certification and formal labeling approval from the labs that review and certify Viwinco products. Please note that as of April 17, 2009, ALL formal, National Fenestration Rating Council (NFRC) third party-approved certifications and labeling were in hand and in use.

Taxpayers are not required to attach the Manufacturer's Certification Statement to their tax returns per the IRS but should retain this Certification as part of their tax records. Viwinco, Inc. is not a legal nor a tax authority. Consult your tax advisor and review IRS guidelines before purchasing any Viwinco window product. Viwinco, Inc. wholly disclaims any responsibility for determining whether a purchaser will receive the energy tax credit. Visit the IRS website for details about the 2021 Energy Tax Credit.
